

Der parints,

Az ur child brings home riting for the ferst tim, do not be serprizd at the speling. The inglish langwij is confusing for studints. Prematur insistentis that studints uz standard or "correct" speling inhibits thair dezir and ability to rit. We will uz "temporary speling" in r wrk. It iz a grat asesment to se wut yor child nos.

Az parints u can hlp ur child bi prazing awl thair riting. Let ur child red thair riting to u. Displa thair riting around ur hom. No that as ur child becomz familier with riting, he or she wil mak the tranzishun to standar speling.

Thank u,

Mrs. Gola
