Q: Is This a Good or a Service?

Restaurants are services. Services like a restaurant do something for another person. Restaurants serve food so you don't have to cook at home. When a worker at a restaurant gives you your food they are providing a service but they are also giving you goods (the food). Goods are something you can hold that you buy like food.

Fun Fact: McDonald's is an international fast food restaurant.

Q:What kind of Restaurants Are There?

There are many different restaurants. Restaurants can be fancy or have entertainment. Or you can just eat there. House of music is an entertainment restaurant where you can hear music and play games in. Cafe Le Cave is a fancy restaurant.

This is the fancy restaurant Cafe Le Cave.
