Juliette Low Needs You!

Did you know that all PTO the events, fun activities, and traditions at Low that you have come to know and enjoy over the years depend on parents and people just like you?

As students and families who have for years supported our events move on from Low all these events and activities are at risk of not continuing because we don't have enough volunteers to take them on and support PTO to make them happen. Please consider volunteering to support enriching our students' learning..

Watch Me Grow!

As we slowly move closer towards a sense of "normalcy" we truly understand the value of spending time with loved ones and making memories more than ever.

At the end of last year PTO commissioned this sign to enrich our students and families experiences.

Make sure you check it out once school starts out.

Cheers to making new memories in the new school year!!

A Big Thank You!

We want to recognize Mrs. Peterson for all her work helping organize ExploreMore Day. She worked so hard. We are so grateful to Ms. Peterson for all her hard work to make this event memorable for all of our students.

A Big Thank You!

Another overdue recognition goes out to Michelle Dabizljevic for our Yearbook. Michelle, on a normal year, participates in school events and takes pictures. She also collects pictures for the 1st day of School and creates the layout for the yearbook. Thank you Michelle for your hard work!

A Big Thank You!

We recognize Kristin Fiore as well. Kristin supports the PTO during Staff and Teacher Appreciation by sending out requests for snack and breakfast donations to treat our teachers and school staff. Thank you Kristin for doing all this work!
